

## **Artists in Education residency Program - Schools**

Through the **Artists in Education (AIE)** program professional teaching artists are placed in long-term (20-100 days) in-school residencies statewide.

### **Eligibility Criteria**

**One-Year AIE Residency Grant:** New Jersey public, private and parochial schools and school districts may apply.

**Two-Year AIE Residency Grants:** New Jersey public, private and parochial schools and school districts that have successfully completed previous AIE residencies may apply.

**AIE Planning and Implementation Grants:** New Jersey public, private and parochial schools and school districts may apply. This is a two-year grant that helps prepare teachers and administrators for a full residency in the second year. Grantees must have an approved first year final report and full residency plan in order to receive second year funding
